OSBORN GEORGE

753 Medowie Road MEDOWIE NSW

What a great opportunity to pick up a good sized three bedroom home on a big block of land located so close to town. It almost sounds too good to be true at this price!
With three bedrooms, two bathrooms, fresh coat of paint, double shed, over 3000sqm of land and located only 150m to the shops you start to get the picture. This large parcel of land also comes with the potential of being re-zoned, with Council's approval, to enable the lucky purchaser to sub-divide or sit and wait for the right offer to come along. An inspection is highly recommended!
