Room for a Granny Flat

Nest or invest in this extensively renovated home on a huge 962sqm block. New kitchen, new carpet, new paint throughout, new blinds, new wiring, new bathroom fittings, new split system air plus more. The upper level offers 3 bedrooms, spacious lounge, dining, bathroom, kitchen and front and rear deck and the lower level features a double garage plus a large separate rumpus, office or storage room with laundry.

There is potential to add large shedding, extra garaging or a granny flat in the backyard with council approval. It is near level and offers side access which is sought after by many.
