TOP OF THE BUNCH

This home will take some beating as one of the best to hit the market this year. An enormous home featuring five big bedrooms, the main has a large ensuite and WIR, an open plan kitchen leading onto a combined dining/living room, plus a cinema room that will be the envy of your friends. Externally there is a brilliant entertaining room that soaks in the amazing views, plenty of room for a shed or guest accommodation as all of this is set on a block of over 2500sqm making this one very rare opportunity.
